

Russian Foreign Policy Session 1

Locating Articles

E-Journals, Citation Linker, Library Catalog

News and Scholarship

E-newsletters, World Wide Web, Databases

Goals of the workshop (per consultation with Mariya Omelicheva, instructor)

- Help students locate articles for required weekly readings;
- Help students track events and developments in Russian Foreign Policy;
- Help students identify tools for finding scholarly content on Russian Foreign Policy;
- Help students get started on their research assignment from August 28.

Objectives/Outcomes: By the end of the Session 1 students will

- Be familiar with the Russian and East European Studies page on the Information Gateway;
- Be able to locate journal articles (mostly on-line) using the E-Journals tab, Citation Linker, and via the Library Catalog;
- Be familiar with several major news sources on Russian Foreign Policy;
- Be able to locate other news sources on Russian Foreign Policy;
- Be able to locate databases with scholarly content on Russian Foreign Policy;
- Be aware of subject indexing (controlled vocabulary) used by various databases.
